

## Cognitive Science Timetable, 2022/2023

These modules are delivered within the Cognitive Science programme. Most students in the taught masters programme will take the 8 modules listed as 7.5 credits each. Substitutions are possible, but must be approved by the programme director. Timetable is subject to change. For class venues, please see the handbook provided to incoming cognitive science students, or use the general UCD timetable reference at [https://www.ucd.ie/students/course\\_search/generalreferencetimetable/](https://www.ucd.ie/students/course_search/generalreferencetimetable/)
